## **Uniform Requirements & Ordering Instructions**

To portray a unified and professional image, we require all Nautix employees to wear custom Nautix gear and approved apparel. This also makes you recognizable as a Nautix employee, so patrons know exactly who to go to if they need help.

It is your responsibility to order and wear all *required* uniform parts. You will need to create a unique account with Original Watermen, our uniform website, to order the Nautix gear. Each suit is custom embroidered with our logo, and since they are custom to Nautix, Original Watermen is unable to return or exchange any products with our logo. Just be careful when making your selections, but if you order the wrong size uniform, please contact the office to find a solution for you. *Make sure to order your uniform as quickly as possible since it can take a few weeks for your orders to arrive.*

**POOL MONITORS:** Nautix Pool Monitors will NOT order their uniform from Original Watermen. Pool Monitors are required to wear navy or khaki shorts, and a Nautix t-shirt, which will be available for purchase through the Nautix office. Items that do NOT say "Lifeguard" can be purchased, but Pool Monitors can NOT wear any items that identify them as a "Lifeguard."

**LIFEGUARDS:** All Lifeguards are REQUIRED to wear a Nautix Swimsuit, a guard fanny pack with a CPR Pocket Mask (you will receive this at training), a whistle and lanyard, a waterproof watch, and a face mask.

There are OPTIONAL pieces that you can purchase, like the Nautix shirts, cover up shorts, hats, windbreakers, etc. If you do wish to wear a shirt or cover-up shorts, they must be the Nautix shirts and shorts. Any hat can be worn as long as it is not offensive or inappropriate.

\*Face masks, whistles and lanyards can be purchased through Original Watermen, but you can provide your own as well.

**RE-HIRES:** If your current uniform is still in good condition, you may continue to use it. However, for uniform parts that you do not have or that are showing excessive wear, you will need to purchase new items.
